Next Meeting: Monday, March 4, 6:45 to 8:45

Southgate Living Center, Julio Drive, Shrewsbury. The entrance is handicapped accessible. Southgate is requesting that AGS members, when attending presentations, enter and exit through the front of the building and sign in and out for security reasons. Should there be adverse weather, an email will go out with a cancellation notice well before the start of the meeting.

The next AGS meeting will feature Howie Green

The March presenter will be Boston pop-artist and muralist Howie Green. Mr Green will provide a slide projector show and discussion of his work, possibly sharing some of his smaller pieces.

A quote from Howie Green:

In all honesty I still feel like a 20 year old just getting started. Every morning I walk into my studio and I start asking myself: What am I going to produce today? Do I know anything? When will they find out I have no idea what I'm doing. Then I have a nice cup of tea, calm down and get to work. After all it's all about the work - and a nice cup of tea.

With 40+ awards for my design and illustration work, 45+ group and solo shows featuring my paintings, 100+ murals, 3 books and lots of other goodies I continue to have a career that has covered a wide path of activities from private and public art to TV to toys and games and back to again. I will be presenting a broad overview of my life as a Pop Artist with examples from all phases of my life and work - and what a long strange trip its been! I'm looking forward to sharing the fun with you.
